Cooper's Glen Hosts More Great Entertainers in February

KALAMAZOO, MI -- The 15th annual Cooper's Glen Music Festival will be held at the downtown Radisson Plaza Hotel, 100 West Michigan Avenue, and will feature a variety of excellent performers, workshops, jam sessions and other activities.

"We have an exciting lineup for concerts on two stages as well as daytime activities," said GLAMA President Kathy Nichols, "including educational displays and learning sessions throughout the weekend."

This year's Coopers Glen line-up includes: Doyle Lawson and Quicksilver, Tony Trischka, Molly O'Brien and Rich Moore, Wayne "The Train" Hancock, Heywood Banks, Joel Mabus, Ragbirds, Soltre, Nashon Holloway, Drew Nelson, and Stella!

Saturday workshops, jamming and after-hours acts, including a Honky Tonk dance Saturday night with regional country-rock band Four Wheel Drive round out the festival events.

Formed in 1998, The Great Lakes Acoustic Music Association is an all-volunteer organization dedicated to promoting, performing and preserving acoustic music.
